

The New Library

Read the story. Then answer the questions.

Name: _____

Date: _____

Maria loved to read, so she was excited when a new library opened in her town. On the first day, she walked in and saw rows and rows of books. A kind librarian named Mr. Lee helped her find books about space, which was her favorite subject. Maria borrowed three books and could not wait to read them. She promised herself she would visit the library every week. That night, she read all about the planets and the stars until it was time for bed.
